This privacy statement explains the reason for the processing of your personal data in the context of a meeting or event organised by the European Commission. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to “EU Industry Days 2021”, organised by DG GROW Unit F.1 of the European Commission, is presented below.
